Dear Mr./Ms.

**Mechanical Engineering Laboratory Courses, Part Time Programme (UTMSPACE),
Universiti Teknologi Malaysia, Semester III, Session 2021/2022**

Referring to the above matter,

All the students registered for the Mechanical Engineering laboratory courses in Semester III, Session 2021/2022 are required to attend and conduct the laboratory works starting from 01st August 2022 until 05 August 2022 at Universiti Teknologi Malaysia, Skudai, Johor Bahru . You are advised to ask for the unrecorded leave or leave of absence during that period.

Attending and conducting all the Mechanical Engineering Laboratory courses is one of the requirements in rewarding the Bachelor of Engineering (Mechanical). Failure in completion of these courses may causes failure for graduation

Further information regarding the schedule and the implementation can be obtained by contacting the Laboratory Coordinator SKM (UTMSPACE) at zarhamdy@mail.fkm.utm.my

Thank you

Your's sincerely
