Dear Mr./Ms.

**Mechanical Engineering Laboratory Courses, Part Time Programme (UTMSPACE),
Universiti Teknologi Malaysia, Semester III, Session 2023/2024**

Referring to the above matter,

All the students registered for the Mechanical Engineering laboratory courses in Semester III, Session 2023/2024 are required to attend and conduct the laboratory works starting from 21st July 2024 until 26th July 2024 at Universiti Teknologi Malaysia, Skudai, Johor Bahru . You are advised to ask for the unrecorded leave or leave of absence during that period.

Attending and conducting all the Mechanical Engineering Laboratory courses is one of the requirements in rewarding the Bachelor of Engineering (Mechanical)/ Bachelor of Mechanical Engineering with Honours. Failure in completion of these courses may causes failure for graduation

Further information regarding the schedule and the implementation can be obtained by contacting the Laboratory Coordinator FKM (UTMSPACE) at zarhamdy@mail.fkm.utm.my

Thank you

Your's sincerely
